ENGINEERING DEPARTMENT.

BANGALORE DIVISION.

Notification.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Bangalore Division, up to 2 P.M., on 3rd February 1932, for restoring Kumbalgud Minor Tank, R. No. 305 of Bangalore Taluk.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1933.

2. The plans, detailed estimates and conditions may be seen at the Executive Engineer's Office at Bangalore between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 (one hundred) in cash or Government Promissory Notes as earnest money and be superscribed "Tender for restoring Kumbalgud Minor Tank of Bangalore Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Percentage rates above or below the estimate amount will not be accepted.

10. No claim for enhanced rates will be entertained on any account after acceptance of tenders.

11. The contractor will be dealt with in terms of the bond for any short progress or delay. In matters of all disputes about rates, measurements, quality of work, etc., and in all disputes of any kind the decision of the Chief Engineer will be final and legally binding on the contractor.

12. Rates should be quoted both in words and figures for each item of works and lumpsum provisions are subject to modifications as per data worked out during execution. For individual items of work under lumpsum provisions the rates tendered for similar items of works will be paid and for other items, the rates as per schedule of rates will be paid at the discretion of the Executive Engineer.

13. Rates for masonry include bond stones to the required percentage at the required intervals of the quality and size to be specified.
